TOP TACO

It feels like new food festivals are springing up every week now, so it's about time New Orleans got its very own large scale taco festival. [Top Taco will fill that void](#) when it debuts next year.

MORE NEWS:

Naughty Professor [teamed up with David Shaw](#) of The Revivalists for "Stray," the first single from the band's upcoming album. Naughty Professor will also grace the stage at this year's [Best of The Beat Awards Party](#) on January 19.

Big Freedia will host her [inaugural Holiday Bounce Around The Block](#) party this December.
