Taco Parties

Top Taco Nola

The last several years have seen a spike in taco options in New Orleans, and the Crescent City is finally ready for a taco festival of its own. Top Taco Nola will feature tacos from an incredible range of NOLA taco and non-taco shops, including Johnny Sanchez, Araña, Cochon Butcher, Del Fuego, Jacques Imo's, and Los Jefes. There's a killer VIP package, with a couple of contests too. I'll be one of the judges. So snatch up a ticket, and come say hi. www.toptaconola.com
